## WATCH PARTY

The winner was a season ticket holder, James Lopez.

What do you do when your team is playing and you're not allowed in the stadium? Have a watch party! Chapman Tucson dealerships teamed up with FC Tucson to host a drive-in style watch party at El Toro Flicks: Carpool Cinema. This provided ample space to enjoy the game while following social distancing guidelines. Our Chapman Tucson team members contributed to fans' excitement by distributing Chapman soccer balls for all to enjoy. Our community not only came together to support their favorite local team, but to collect much-needed PPE products to contribute to Goodwill's

drive for local healthcare workers. The evening culminated in a raffle, with the Grand Prize winner receiving \$100 gift card to Top Golf, a free jersey and ball. If you missed this event, you will have another chance at our upcoming home games in the home schedule below. If you want join in on this experience, please contact [DominiqueHermosillo@chapmantucson.com](mailto:DominiqueHermosillo@chapmantucson.com).

## DEDICATED TO SERVE

Due to hardships and restrictions brought on by the COVID-19 pandemic, there is an overall shortage of volunteers. In light of this, Chapman did what we do best and asked how we can help. We decided to collaborate with Mobile Meals of Southern Arizona, committing our Chapman Journey Civic—its mission to reach 500,000 miles—to delivering healthy meals to those in need. Meals are delivered on Mondays and Thursdays to elderly residents in Sahuarita and Green Valley, who are unable to venture out for food on their own. If you would like more information or want to know how to get involved, please contact our Employee and Community Engagement Director at [DominiqueHermosillo@chapmantucson.com](mailto:DominiqueHermosillo@chapmantucson.com).

## CONGRATULATIONS BEVERLY

Join us in congratulating Beverly Leeman on her recent promotion Controller of Chapman Automotive - Tucson. Beverly started in June of 1999 as Assistant Office Manager of the Honda store, only to take on the role for all of the Tucson dealerships. She then held the Office Manager position until February of 2019, when she became Tucson's Assistant Controller.

“I have been blessed with so many long-standing peers and mentors. My supervisors have always taken the time to help understand what it is they want, making things easier for me to accomplish. Any of my success comes only due to having an incredible admin team. Having such a good group of people who take initiative to step up and step in where needed really helps the accounting go smoother. I couldn't do what I do without all of them.”

Being the Controller requires expert time management, meaning Beverly runs a tight ship to set goals and ensure they are met. Even so, Beverly has found time to squeeze in a little fun. Every June for the past 12 years, Beverly buys her admin office team lunch and they vote on a Halloween theme. This

brainstorming meeting turns into the Admin Halloween parade, where everyone in the office dresses for the chosen theme, and Trick-or-Treats at all Tucson stores.

“I just love seeing everyone's creativity in making their costumes. My favorite part is in all the fine details, even if they're gross,” says Beverly. That eye for detail is what keeps the Chapman Tucson ship sailing. We thank you and wish you the best in your new role. Congratulations Beverly!

## GIVING THE GIFT OF LIFE

Nothing shows Chapman cares more than the 39 pints of blood donated in one day at Chapman Honda's Blood Drive on Wednesday, August 12th. We would like to thank all who came, allowing us to exceed our personal goal of 32 pints, and set the record for Southern Arizona's dealer blood drives! Thirty-seven out of the 40 donors scheduled were able to give blood; 16 of which were first timers, and 10 were Chapman customers! A special shout out to Chase Melton, who, although he came running in the door as the last donor, had the fastest donation time of just 4 minutes and 11 seconds! If you did not get to donate or track your fill time, no worries! You will get another chance at our next drive on December 9th, where we will be open to 48 appointments. Let's see who gets the fastest time! For more information on our next drive, please contact [AlexisMontano@chapmantucson.com](mailto:AlexisMontano@chapmantucson.com)

Fabian Boatner doing a Power Red donation

Our Chapman Cares Team goal is to plant seeds of inspiration, love and intention to grow a stronger healthier environment. Together, with your help and through our partnerships, we have been able to help people build their homes, regain control and dignity in their lives, bring joy where there is normally hardship for some, and support our veterans. There are so many ways to make a difference in our community, and only a few of us, so if this is where your heart is or where your heart wants to be, we would love you to join us. We meet every third Friday of the month at noon in the Honda training room. Please feel free to contact [Dominiquehermosillo@chapmantucson.com](mailto:Dominiquehermosillo@chapmantucson.com) in any regard to our Chapman Cares Team.

## WELCOME ERIC THRALL

Help us celebrate Eric Thrall as our new manager at the Chapman Collision Center on Palo Verde. Eric started as a sales consultant in November of 2008 at Porsche of Tucson then later at our Acura store where he caught the attention of former collision manager Tom Hiller. With his sales background, Eric was recruited as Chapman Collision Centers marketing representative. He learned the business well and moved into the role as an estimator becoming assistant manager four years later.

"I look forward to the new challenges and opportunities for growth that this position will provide. I am very thankful for all who have helped me grow, learn, motivate and excel. I would like to thank Tom Hiller for always believing in me and giving me this amazing opportunity. His leadership ability has been essential to my professional development. Since I started working here almost 12 years ago, I have felt the camaraderie and family feeling at Chapman. I'm so grateful to work for a company that shows its appreciation so generously."

Congratulations Eric and best of luck to you in this new endeavor of leadership!

## CAPTION THIS PHOTO ►

Come up with a caption for this photo and enter our Caption This Photo Contest. Winner will be announced in the next issue. Also, if you have a fun, cool, pretty or artsy photo taken of or from your dealership, send it in. We would love to feature it here.

Send all caption ideas and photo submissions to Dominique (DominiqueHermosillo@chapmantucson.com).

## SOWERS OF KINDNESS

You never know your impact on one person's life. Something as simple as a welcoming hello or a gesture of appreciation can mean the world to someone, which is why we're nominating **Rose Ballis** as this month's Sower of Kindness. Rose organized a team effort to serve one of our employees in a special way. What started as just making a fellow employee feel more welcomed turned into a group effort to help her through a tough time.

"She's so awesome. I've gotten to work closely with Rose a lot lately. She was the first to embrace me when I started—I've never worked in a place like this before. It has changed me for the better, I finally feel like somebody." *Anonymous*
